

40 DAYS FOR LIFE™ National Leader Endorsements

"Abortion will end when local communities say it will end -- no sooner, and no later. We have the power to stop abortion, even while it remains legal. Now is the time to mobilize, sustained by prayer. Women and men who have lost children to abortion need to hear the witness of others who have experienced that pain and have found healing. 40 Days for Life is an opportunity for a local community to hear that witness. The men and women of the Silent No More Awareness Campaign are looking forward to participating and I strongly endorse the 40 Days for Life effort. I look forward to promoting it nationwide and participating in it in many communities."

Pastoral Director, Silent No More Awareness Campaign
and Rachel's Vineyard Ministries**

"As we pray daily for an end to the killing of innocent preborn children in our nation and around the world, it stands to reason that programs such as 40 Days for Life can do nothing but regenerate, reinvigorate and renew the dedication each and every one of us needs, through Christ, to make our goal a reality! It also provides an opportunity to welcome new faces, lovers of Christ and life, to our struggle. American Life League is proud to endorse 40 Days for Life!"

JUDIE BROWN, President, American Life League

"40 Days for Life is cause for everyone in pro-life to rejoice. Imagine what will occur across America when pro-lifers in many cities and towns resolve to pray earnestly and urge God to anoint their labors and use mightily their witness against the curse of abortion in their local neighborhoods. Imagine the lives that will be saved and hearts changed. Imagine the huge number of new pro-life recruits. 40 Days for Life is blessed with committed leadership, superb prep materials, and marvelous passion. It is flexible and doable. Most important of all, it values and relies on God, the giver of life. I look forward to many faith-building reports of its success."

ROYCE DUNN, Founder and Director, Life Chain

"Pastors for Life believe in the spiritual strategy of prayer at the very doors of the abortion centers. Therefore, we wholeheartedly support the national 40 Days for Life! It's the desire of this campaign to seek God's favor with humility and contriteness of heart. Victory will come, not by might, nor by power, but by the Spirit of the Lord. That's why it is important to go to the abortion facilities and pray! The success of this campaign is based upon our faithfulness in obedience to God's command."

**DR. SONNY FORAKER, Founder and Director, Pastors for Life
Pastor, First Baptist Church, Pearland, TX**

"40 Days for Life is an opportunity for the body of Christ to see God work in extraordinary ways as we come together in repentance for the travesty of abortion. The results, I believe, will be nothing short of miraculous as hearts are healed, restored, and emboldened to embrace life for future generations."

CARMEN PATE, Co-Host, "Point of View" Radio Talk Show

"Ora et Labora -- prayer and action -- are our most powerful tools in the battle against the abortion culture. The 40 Days for Life program combines the two beautifully, with the potential of bringing down the culture of death. Compassionate, dedicated pro-life Christians praying fervently for 40 days and 40 nights, 24 hours a day, at the very places where abortions are performed, is an ardent call for God to work miracles as He pleases. The Pro-Life Action League is launching a 40 Days for Life vigil in our campaign to keep Planned Parenthood from opening a major abortion clinic in Aurora, Illinois. All my efforts in the pro-life battle are based on my personal commitment to the combination of prayer and action. I not only wholeheartedly endorse the 40 Days for Life prayer vigil, but I believe it is absolutely necessary for ultimate victory over the evil of abortion, and I believe the time is right."

JOE SCHEIDLER, National Director, Pro-Life Action League

"God does answer prayer and 40 Days for Life is an answer to prayer for me personally. This is the most exciting opportunity for believers all over the nation to unite together to pray and fast for the end of abortion in America. 40 Days for Life will give each believer the opportunity to be a light unto the world by our unity in prayer and fasting and our acts of love and kindness towards those who are lost and those who are hurting. This campaign is a wonderful opportunity to minister to hurting women, men and family members."

MOLLY WHITE, Executive Director, Redeemed for Life Ministries

"40 Days for Life unleashes in an organized fashion the most potent force that we can muster against the culture of death -- prayer and sacrifice. The only way we will definitively conquer the death industry is by applying the spiritual resources that the Lord has entrusted to us, and I wholeheartedly endorse the 40 Days for Life campaign for that reason. May God produce abundant fruits out of so much sacrifice and prayer!"

FR. TOM EUTENEUR, President, Human Life International

"Without a doubt, you can be a part of a movement in your locale that will negatively impact the kingdom of darkness as it fuels the abortion holocaust. During the 40 Days for Life in my community, I witnessed an increase in the unity of the Body of Christ, a decrease in abortions and also an increase in volunteers working in various pro-life venues in our community. Come fast and pray with members of your community and join this global effort."

NOREEN JOHNSON, M.D., Former Abortion Provider

"The 40 Days for Life Campaign is a real and effective tool to help increase awareness of the sanctity and dignity of each and every human life -- born and unborn. The members of Crossroads Pro-Life will be participating in this great effort during the coming 40 days and pray that it will help to convert many hearts and minds for life!"

JIM NOLAN, President, Crossroads Pro-Life

"The 40 Days of Life campaign has already proven to be effective when it was first used. As you know, Jesus considered our lives to be worth the 40 days of wilderness testing for Him. This is a specific amount of your most valuable resource, which is time, to embrace that which God has given human beings to experience time -- that's life! If 40 days in jail could save a child's life, there are Christians who would sit behind bars. If 40 days of no meat could save a child's life, there are Christians who would eat fruits, vegetables, cakes and pies. Because of 40 Days for Life, a child will have a birthday. The question for your consideration: 'Is a lifetime for a child worth 40 days to you?'"

DR. JOHNNY M. HUNTER, D.D., National Director, LEARN, Inc.

"I am very proud that my community, Ann Arbor, has signed on for 40 Days for Life. I am confident that the power of prayer and sacrifice that this community can generate will save the lives of many babies and the souls of their mothers -- and we hope of the abortionists as well. I am very grateful to all who are doing the hard work of organizing this venture locally and nationally. Let us all line up behind the Good Shepherd and follow his example of prayer and sacrifice in service of advancing the Kingdom of God."

PROF. JANET SMITH, Professor of Moral Theology

"The 40 Days for Life campaign is the most exciting opportunity to strengthen and expand the pro-life movement that I have seen since way back in 1972 when I first became active. I like it because it has worked successfully in communities across America, some of which had virtually no local pro-life movement before the campaign. I like it because it can unite all wings of the pro-life movement as well as bringing countless persons into the movement who consider themselves pro-life but never have been actively pro-life! I like it because it could be the first step in bringing down Planned Parenthood, the Goliath of the abortion industry!"
